

## Merri River School

# YARD DUTY AND SUPERVISION POLICY

### Help for non-English speakers

If you need help to understand the information in this policy please contact the Principal and/or Assistant Principal

### PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

### SCOPE

This policy applies to all teaching and non-teaching staff at Merri River School including education support staff, casual relief teachers and visiting teachers.

### POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

#### Before and after school

Merri River Schools grounds are supervised by school staff from 8.30am until 3.30pm. Outside of these hours, school staff will not be available to supervise students.

Students waiting for after school pick ups will be supervised by staff in the library and multipurpose space until 3:30pm, then supervised by staff in the office.

Parents and carers will be advised through regular reminders in our newsletter that they should not allow their children to attend Merri River School outside of these hours. Families will be encouraged to contact [www.warrnambool.vic.gov.au](http://www.warrnambool.vic.gov.au) for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

### Yard duty

The majority of staff at Merri River School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Learning Team Leader is responsible for preparing and communicating the yard duty roster on a regular basis. At Merri River School, staff will be designated a specific yard duty area to supervise.

### **Yard duty zones**

The designated yard duty areas for our school as of Term 3 2022 are:

## **Yard duty equipment**

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in classrooms
- carry the yard duty first aid and asthma bags at all times during supervision. The yard duty first aid bag will be stored in classrooms
- Carry epilepsy medication for identified students, which is stored in classrooms

Yard duty equipment must be returned after the period of supervision

## **Yard duty responsibilities**

Staff who are rostered for yard duty must remain in the designated area for the whole break.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor lanyard and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones, if applicable
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Xuno

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Learning Team Leader with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Learning Team Leader but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should contact the Learning Team Leader and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

## Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a child is asked to leave the classroom they will be monitored by staff at all times.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Learning Team Leader for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

## School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

## Digital devices and virtual classroom

Merri River School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Merri River School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in classrooms.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored daily
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

## Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

## Workplace learning programs

When students are participating in workplace learning programs, such as work experience, school-based apprenticeships and traineeships, and structured workplace learning, the safety and welfare of the student is paramount. Organising staff are required to follow all applicable Department of Education and Training policies and guidelines in relation to off-site learning, including policy and guidelines on the safety and wellbeing of students. Refer to:

- [School Based Apprenticeships and Traineeships](#)
- [Work Experience](#)
- [School Community Work](#)

### Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

### Other areas requiring supervision

Students will be supervised by staff when moving between classes and specialist areas such as the kitchen and cardio room. At times, identified students may need supervision in other areas such as bathrooms and hallways. This information will be included in the Child Safety Risk Register.

## COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Included in our staff handbook
- Made available in hard copy from school administration upon request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent at the beginning of each term in our school newsletter.

## POLICY REVIEW AND APPROVAL

Policy last reviewed	June 2022
Approved by	Principal
Next scheduled review date	June 2024

This policy will also be updated if significant changes are made to school grounds that require a revision of Merri River School yard duty and supervision arrangements.
